Success Stories

Success Story: How this Businessman established a Successful Career Guidance Organization Single handedly.

Mr. Pradeep Singh was a worried man few years ago. He had a successful stint as a business development professional in a well-known corporate house. He always had a thought about helping students through smart education and career planning as he never received such guidance when he was a student.

When he decided to start his own business, he started a career guidance business. However, he was not sure about the prerequisite or requirements for these venture as he was learning by trial and error. He lost a considerable amount of money in some irrelevant tools and franchisees.

Finally and fortunately, he made contact with the right organization for this purpose. He received complete training, Technology platform, complete handholding and business support. As a talented business man that he is, turned around his ailing business within 3 months flat. He hired 8 members team, invested in marketing, expanded his operations and started providing career guidance on daily basis.

Now, Edunextpro Solutions is a dominant player in career counselling services for students in Noida. Mr. Pradeep Singh is a proud man, organizing the huge career counselling operations in and around Delhi.

Edumilestones partnered with Mr. Pradeep Singh for his success in career counselling business.

Great support is extended by Mr. Vipin Prasanth and team! I appreciate their technology, timely delivery ,professional approach and positive outlook.

Success Story: How this HR Professional became a Saught after Career Counsellor

Mrs. Lakshmi Rao was a high flying HR professional worked with corporates in India and abroad. After a lasting stint, She relocated from Australia to Hyderabad. Her Daughter was immensely talented in badminton and shown early signs of a champion player. However, nobody recognized her sporting talent as a career path and suggested her to pursue conventional paths except Mrs. Lakshmi Rao. As a mother, she was determined to support her daughter to the very day of the championship.

She know that it was not easy. It was not only financially draining, it is physically and emotionally challenging path. She whole heartedly manages all the training, match, travel and diet Schedules apart from financial arrangements.

Mrs. Lakshmi Rao realized that innumerable dreams and talent of young minds in India are crushed at the very early stage. She was determined to help all the daughters and sons realize their talents, dreams and interests. Between her busy schedules, Mrs. Lakshmi Rao undergone a formal career counselling training to start her own career guidance practice.

Now, “ Start point Career Counselling Center” in Hyderabad is a sought after career counselling center for many parents and students. She is planning to expand her counselling reach to thousands of parents and students in near future.

Edumilestones Support Mrs. Lakshmi Rao in her steely resolve to get the best out of the young minds.

The team at edumilestones is wonderful and supportive. My experience from the very first call, until completion of training has been very satisfying. The help and guidance received during the initial operations setup was excellent. They are always approachable and are ever ready to help. it is a pleasure to be associated with them. My special thanks to Mr.Ankit, Mr. Vipin & Ms.Monisha !

Success Stories

Success Story: How this Gold Medalist turned Lecturer became a Well-Respected Career Counsellor.

Life was well set for Mrs. Tina Jhanb as she settled down in Faridabad after marriage. She was a respected Lecturer and Mentor from Lady Sriram College in Delhi. Academically, she was a gold medalist in Statistics.

Her students always reach out to her for career guidance as they have very less idea about their future options. She found what is more disturbing is that "many students nor have any clue about their career options neither approach for help".

Mrs. Tina Jhanb, resolved to start a professional career guidance center from Faridabad and undergone a formal training in career counselling practices.

Now, "Calibre Connect Counselling Center", is a well-respected and successful career counselling center in Faridabad. It is topping Justdial and Google business page ratings consistently for last couple of years. Her reviews are filled with limitless praise from parents and students.

"Edumilestones support her resolve to mentor in numerous students and guide them to a joyful career path".

Edumilestones is an excellent career guidance platform for all Career Counsellors. My working experience with edumilestones and its team has been quite an enriching one. The technical as well as marketing support is tremendous and this makes the execution of counselling sessions very professional. Assessment tools are very accurate and are a must for every student before making a career decision. Extending my sincere thanks to Mr Ankit and Mr Vipin for their outstanding efforts.

Success Story: How this Motivational Speaker became a Career Counselling Sensation.

Mr. Sudheer Sandra was a leading motivational speaker from Nellore. He was a house hold motivational speaker for Schools and Engineering Colleges in Andhra Pradesh and Telangana.

He found that the million dollar question from every student he encountered during his motivational sessions are "what is the right direction for my better future?" Meaning, what is the right educational and career path for me? He was overwhelmed with the enormous size of the student population who is clueless about what they really like to do as a career?

Between his busy sessions, he determined to undergo a formal career counselling training to guide as many number of students as possible.

Now, "Sandra Career counselling center" is a well-recognized name among the student community from Hyderabad and Nellore. Thousands of Students getting benefited from his career counselling service.

Edumilestones supports Mr. Sudheer Sandra in addressing millions of million dollar questions from student community.

I would like to take this opportunity to thank Edumilestones for the wonderful training in career counseling. I have learnt so much in the past couple of months and also learning as the course takes it. Counseling has been my passion. This course would also help me develop personally from my career point of view therefore I made my decision of doing this course and I feel I have taken the right decision. It gives me inner peace and is developing my skills, knowledge and expertise. From day one that I begun this course, I am enjoying every bit of it. This course offers challenges at every step. Till now its been a great learning experience and I hope I get to learn much more.

Career Counselling

1. Five critical factors while making career choices are:

- Individual Interests
- Career Values
- Personality
- Learning Style
- Skills & Abilities

2. Career counselling helps to identify these critical factors and help the individual choose the right path.

Benefits of Comprehensive Career Test

About Us

The mission of **evolve** is to be there for the kids, parents, teachers, Principals and all those join hands to grow for a better tomorrow.

At **evolve**, we envision a future wherein your child is able to transit through each phase of life growing as an independent and emotionally strong individual who is looking forward to be a contributing member of this society.

About Counsellor

I have been working with children as Special Educator for the last 16 years with various organizations under different setups. I was associated for 11 years with Bombay Cambridge Group of Schools as a Special Ed and later as the Resource Coordinator. Apart from regular remedial sessions, I planned and executed the Career Awareness Program for the students each year where we discussed their Aptitude test results and professions.

evolve

I was attached with the Learning Disability Clinic at LTMG hospital for 3 years after which I started my own setup under the name 'evolve' where I can cater to the needs of students, parents and teachers with services like Career Counseling, Arts Based Therapy, Occupational Therapy and Counseling.
